

Implementing the Pyramid Model Community-Wide: Benchmark of Quality 2.0

Action Plan Component	Yes/No
Goal	
Does the goal include one or more specific actions the Pyramid Model educator will do?	Yes No
Can the actions be counted or measured?	Yes No
<i>Goal : If you answered no to either indicator above, revise the goal or be sure that your goal achievement statement includes specific actions you can hear or see and that can be counted.</i>	
Are there times of day, activities, routines or transitions involved to make it clear when the Pyramid Model educator should be implementing the practice(s)?	Yes No
Is the goal achievable within the next 2-3 coaching cycles?	Yes No
Goal Achievement Statement	
Is it clear how the Pyramid Model educator and mentor/coach will now when the goal is met?	Yes No
Is the goal achievement statement dependent on teacher actions rather than child?	Yes No
Action Plan	
Are there two or more action steps to break down how the goal will be achieved?	Yes No
Is there at least one action step that includes what support the coach will provide (e.g., modeling, side-by-side verbal/gestural support, videotaping, etc.)?	Yes No
Resources	
Are materials or resources listed for all action steps?	Yes No
Timeline	
Is there a timeline for the next action step?	Yes No

Notes:
