

When I Feel Proud

Infants and Toddlers

Sometimes, I feel proud.

I like it when I feel proud.

I might feel proud when...

**I learn to something all
by myself.**

I try new things.

When I feel proud, it feels good!

I might smile when I feel proud.

Other ways I might show I feel proud:

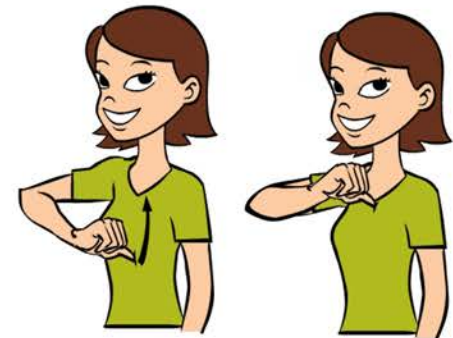

I might clap my hands

I might cheer!

**I can use words or signs to tell people:
“I feel proud!”**

What will I feel proud of next?
